

*Twilight Series by Master Spas*

*Welcome the night.*

At the end of the day, it isn't really about the morning's marathon meetings or the afternoon's deadlines. Or that tangled mess of bumpers called "commuter traffic." Or the three dozen cupcakes your child volunteered for the class. This is about some You Time — just you and the comfortable relief of your Twilight Series spa by Master Spas. Yes, this is where day meets night, and all is set right with your world.

**HYDROTHERAPY JETS** will enrich your Twilight experience by providing stress relief for every area of your body that needs attention.

**LOUNGE SEATING** beckons to your body, with every curve ergonomically designed to fit the contours of your body and wrap you in ultimate therapeutic comfort.

**CASCADE WATERFALLS** and topside controls create the perfect soothing calm at the push of a button — sounds of tranquility usher away the day.

*Twilight becomes the most treasured time of the day.*

Now is the perfect time for Twilight. Life's stresses punch no time card. The hassles and hurries that dictate your days come and go as they please. But your remedy — your relief — is ready and waiting for you. Slip in. Relax. Recharge. The beauty of owning a Twilight Spa means that you rule the best part of the day.

**THIS IS WHAT FREEDOM SOUNDS LIKE.**

No more demanding voices. No brash bells, buzzers, ringtones, or horns. Only the soothing sounds of your choosing. We call it Deluxe Fusion.

**WELCOME TO COMMAND CENTRAL.**

All the choices are yours. All the rhymes and rhythms of your Twilight Spa experience are at your will. Truly, the time has come to regain control of your world — and that time is Twilight Time.

*Deluxe Fusion: the blending of bliss.*

Master Spas' optional Deluxe Fusion Sound System allows you to bring your favorite music to life with the perfect balance of stereo surround sound. As you settle into the hydrotherapy of the water and jets, let your mind wander with the music. An iPod Docking Station, premium sound speakers, and water-resistant remote will seduce your senses into untroubled happiness. Just push play.

*Relax, it's all for you.*

Twilight Series spas are designed to help you relax and restore your senses. Each unit is equipped to settle your stress by giving you complete control over the water's temperature and tempo. Mood-enhancing sounds merge with alluring lights to create a playground for your senses, leading you straight away to a state of total relaxation.

**CUSHIONED HEADRESTS** help to complete the spa treatment by providing generous comfort and a true state of calm.

**iPOD DOCKING STATION\*** and MP3 player welcome your favorite tunes to help you unwind and reunite body and soul. *\*optional*

*Simply Pure.*

We learned a long time ago that hot tubs are meant to enjoy and not to take care of. That's why we developed our unique, patented Eco Pur Filtration System to take the work out of it and keep the enjoyment in your every day hot tub use. Our filtration system consists of dual filters\* including our proprietary Eco Pur and our state-of-the-art Corona Discharge Ozone Injection System. Rest assured that your Twilight Series Spa is built to be ready for you at any time without any time consuming hassles of taking care of it.

Plus, our Stress Relief Neck and Shoulder Seat features strategically placed jets to provide the ultimate tension relieving massage in an area we need it most. Just know that all of these components work together to give you all the benefits of a full body massage.

*Any time is a good time for Twilight.*

Everything about a Twilight Series spa is delightfully stress-free. Controls offer one-touch digital ease and consistency so you can truly relax while your spa does all the work.
